

## Company Profile

BEN LINE AGENCIES

# History

**BEN LINE AGENCIES**

## 1800's

Ben Line is established as a ship owning company in Edinburgh in 1825. In 1859, Ben Line deployed its first vessel to the Far East which becomes a major trade route.

## Early – mid 1900's

Ben Line continued to develop its liner services with its trade route between Europe and Asia, along with numerous other trade routes.

## 1970's – 1980's

Ben Line diversified into the bulk trades buying its first dry bulk vessel and chemical tanker. Ben Line, in partnership with Ocean Drilling and Exploration Company, ventured into offshore oil exploration. By 1977, Ben Line became Britain's biggest offshore drilling contractor.

## 1980's – 1990's

Ben Line Agencies was established in 1987 to complement its core container shipping business with a presence in Japan, Singapore, Malaysia and Thailand. In 1992, Ben Line sold its ships and focused on agency services.

## 1992 – 2002

Ben Line Agencies goes through a period of growth, opening offices in China, Cambodia, Myanmar, Indonesia and the Philippines during this period.

## 2003 – 2019

Continued growth of the agency services saw further geographical expansion into Brunei, India & Sri Lanka, Taiwan and Australia. The company has also diversified into marine agency and offshore / logistics services.

**BEN LINE AGENCIES**

# HSEQ & Compliance

**BEN LINE AGENCIES**

## HSEQ

Ben Line Agencies remains committed to its HSEQ policy and its central theme of continuous improvement. The company has attained the integrated management certification across all its offices in Asia.

**ISO 9001: 2015**

**ISO 14001:2015**

# Liner Agency

BEN LINE AGENCIES

## **Ben Line Agencies is Asia's leading liner agency.**

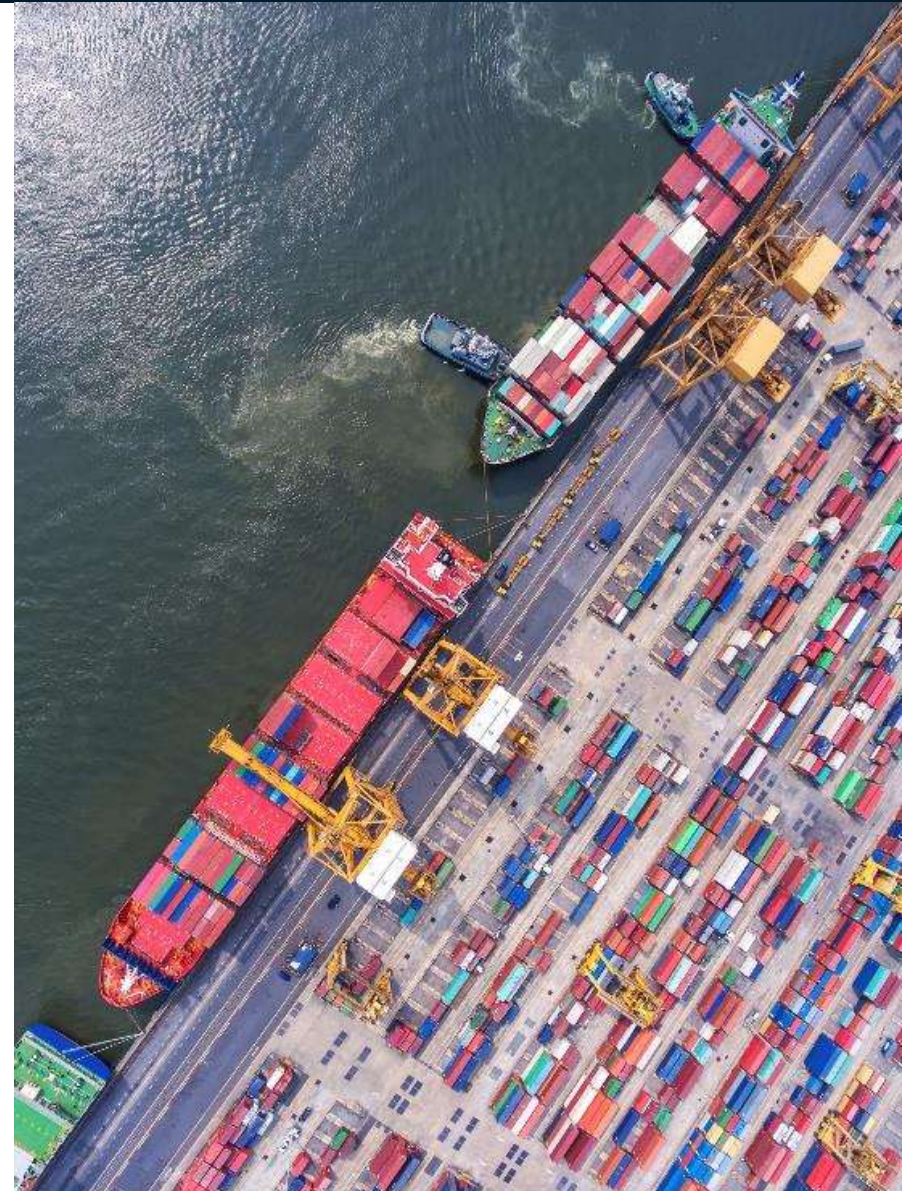

We offer a full range of General Agency services throughout the region, including Sales and Marketing, Market Research, Documentation, Container Control, Vessel Operations and Finance.

Ben Line Agencies has been a leader in liner agency in Asia for 25 years, representing some of the biggest names in the industry, and helping emerging carriers and operators to grow their businesses.

Our network, our experience and our people, allow us to offer a high quality and comprehensive service to clients ranging from Main Line Operators, to small emerging carriers, to box operators.

Whether the client is large and established, with specific needs in specific locations, or a new market entry exploring regionwide expansion, Ben Line's breadth and depth of presence in Asia makes us the right partner.

Ben Line Agencies has always served a diverse client base, including Container, Multi-Purpose and Roro Carriers, Feeder Operators, NVOCC's and ISOTank specialists.
